

ADA Facility Survey Options

Evan Terry Associates, P.C.

Advantages of High Quality Advice:

- Format of Reports and Database are Tailored for Efficient Use
- Lower Total Costs for Compliance
 - Better, More Cost-Effective Recommendations
 - Alternative Methods Provided Where Available
 - More Efficient Use of Resources in Setting Priorities
 - Reduced Chances of Expensive Misinterpretations of ADA & Local Laws
 - Fewer Errors and Omissions
- More Useful Information and Reports (For Current & Future Use)
- Effective and Efficient Administrative Processes and Procedures
- Better Relationships With Intended Beneficiaries of ADA

Advantages of Thorough, Detailed Surveys & Reports:

- Better Documentation for Long-term Planning and Future Use In Alterations Projects
- More Options & Possible Solutions For Barrier Removal
- Alternative Methods Documented in the Field Where Available
- Fewer Barriers Missed or Not Listed
- Compliant Conditions Listed for Future Reference (In More Detailed Surveys Only)

Options Available:

- CADD Overlay of Barrier Locations
- Barrier Removal Cost Estimates in Most Survey Systems
- Photographic Documentation of Barriers as Selected by Client (in Database if Desired)
- ADA Training for Client Staff
